Turkey, Cuba to cooperate in vaccine, drug production

Joint study group to be formed for research on vaccines, cancer vaccines, drugs, says Turkish Health Ministry

ANKARA - Turkey and Cuba agreed to establish a study group to work on various vaccines, including for cancer, and medical drugs, the Turkish Health Ministry said on Monday. Turkish Health Minister Fahrettin Koca met his Cuban counterpart

Angel Portal Miranda last week at an international health conference in Geneva, the statement said. It added that a senior Cuban delegation would soon arrive in Turkey to meet with Turkish health officials. Also, separate protocols on health... [MORE DETAILS](#)

Far-right parties and Greens strengthen in European elections

Yusuf Hatip

BRUSSELS - Anti-immigrant far-right parties and Greens increased their seats in the European Parliament (EP) while central parties face significant decline in Sunday's elections,

according to unofficial results. Pro-EU European People's Party (EPP) -- which had 216 seats before the elections -- led the elections with 173 seat in the 751-seat EP while Social Democrats (S&D) gained 147 seats with 40 seats... [MORE DETAILS](#)

Final footage by Nisanci found

On May 10, Abdulkadir Nisanci, Anadolu Agency photojournalist was on assignment on a mountain in Turkey's northeast when he fell off a cliff

Tugba Yardimci

BAYBURT - In northeastern Turkey, the final footage of an Anadolu Agency photojournalist

who perished on duty has been recovered. On May 10, Abdulkadir Nisanci was on assignment on Mt. Soganli, located between

the northeastern Bayburt and Trabzon provinces, when he fell off a cliff. Nisanci apparently slipped when a block of snow he stepped on broke... [MORE DETAILS](#)

Central Bank takes step for financial stability

Gokhan Ergocun

ISTANBUL - The Central Bank of Turkey (CBRT) Monday increased reserve requirement ratios for foreign exchange (FX) deposits to support financial stability.

The rise came in 200 basis points, the bank said in a written statement. "As a result of this, \$4.2 billion of FX liquidity will be withdrawn from the market," the CBRT added. The decision covers... [MORE DETAILS](#)

Turkish university to offer education in N. Syria

GAZIANTEP - Following Turkish army operations clearing areas in northern Syria from terrorists, a university in a Turkish border region is set to offer education in the liberated areas, the university rector told Anadolu Agency on Sunday. "There was a high demand from local assemblies and provincial leaders. I went [to

northern Syria] myself and saw the demand, they really need it," said Ali Gur, the rector of Gaziantep University, located in the southeastern Turkish province of the same name. After local Syrians saw the high-quality education provided at a Turkish vocational school opened last year in Jarabulus in Aleppo, the university... [MORE DETAILS](#)

Fiat Chrysler offers merger deal with Renault

ISTANBUL - Fiat Chrysler Automobiles (FCA) on Monday said that it has proposed a fifty-fifty merger deal with Renault Group. The two automakers have been planning a merger to curb costs in producing vehicles and to pool resources for developing the next generation automobiles. "The proposed combination would create a global automaker, preeminent in terms of revenue, volumes, profitability and technology, benefitting... [MORE DETAILS](#)
